COMPANY OVERVIEW

Edify Learning Group LLC is a New York–based professional learning firm that strengthens the adults who shape children's learning, from toddlers through 6th grade. We partner with schools, districts, early learning programs, and community organizations to design practical, research-informed learning experiences that leaders, teacher teams, and families can put into practice right away.

CORE COMPETENCIES

- Professional learning design and facilitation (in person, live virtual, webinars, conferences)
- Instructional coaching for teachers and leaders
- Leadership development and instructional focus planning
- Curriculum implementation support (curriculum-inclusive)
- Program quality review and classroom walkthrough tools
- Family and caregiver engagement workshops
- Enrichment program coordination and management
- Professional learning communities (PLCs)

WHO WE SERVE

- Public and private schools, Pre-K–Grade 6
- School districts
- Early learning and child care centers
- Head Start and family child care programs
- After-school and community-based organizations
- Families and caregivers

DIFFERENTIATORS

- **Deep practitioner expertise:** our team brings 20+ years each as teachers, instructional coaches, mentors, and school administrators.
- **Early childhood through elementary focus:** specialized knowledge of how young children learn and how adults support them.
- **Curriculum-inclusive:** we support implementation of the curriculum your program already uses.
- **Built to last:** every engagement follows a Listen, Design, Deliver, Sustain cycle with follow-up support.
- **Flexible delivery:** on-site, live virtual, webinars, conference sessions, and multi-session series.
